Sludge Treatment

- [HUBER Plant Technology for rent – the smart solution for industry and municipalities](#)
- [A success story: 10 years of HUBER Belt Dryer operation in Mooresville \(North Carolina, USA\)](#)
- [Further orders for HUBER UK containerised Sludge Thickening S-DISC](#)
- [Trust is good, control is better: HUBER Sludge Turner SOLSTICE® trial dryer in the field](#)
- [HUBER Technology Inc. wins its largest belt dryer project in the USA to date in a public participation competition](#)
- [General conditions for the use of disc dryers](#)
- [HUBER Technology Sludge Thickening solutions with the HUBER S-DISC](#)
- [A HUBER Technology Sludge Thickening case study at Blackburn and Darwen WwTW](#)
- [Further increase in performance for sludge dewatering: HUBER Screw Press Q-PRESS® with increased throughput capacity and new control mode](#)
- [Sewage sludge drying on Kassel district heating power plant](#)
- [HUBER Technology Cog Moor Sludgecleaner STRAINPRESS® SP290 CASE STUDY](#)
- [A HUBER Technology Wastewater Case Study at Winchcombe STW for Severn Trent Water](#)
- [Sludge Dewatering for Food Manufacturers](#)
- [HUBER complete solution: sludge treatment plant at Šumperk WWTP officially inaugurated](#)
- [HUBER Technology Sludge Screening case study at Huddersfield STC](#)
- [Sludge dewatering in a confectionery at Mondelez, Marlbrook](#)
- [Successful commissioning of the first HUBER RotaDry® disc dryer in Hanover-Lahe](#)
- [Sludge Acceptance and Screening at Wanlip STW for Severn Trent Water](#)
- [Milford Haven WwTW Case Study: HUBER Disc Thickener S-DISC](#)
- [HUBER supplies machines for faecal sludge treatment on the Faroe Islands](#)
- [More than 15,000 tons of sewage sludge per year: HUBER installs solar sewage sludge drying technology on Pachacútec WWTP \(Peru\)](#)
- [HUBER STRAINPRESS® Placed in the Most Impressive City in Italy: Rome](#)
- [HUBER Screw Press Q-PRESS® with world premieres at STP Sargans - High level of user-friendliness increased even further](#)
- [Plant for mono-incineration of sewage sludge in Hannover-Lahe: HUBER Disc Dryer RotaDry® ready for hot commissioning](#)
- [Innovation for drying sewage sludge: The benefits of the HUBER Disc Dryer RotaDry®](#)
- [HUBER Disc Dryer RotaDry®: Trial disc dryer for small-scale tests](#)
- [Over 40 tons of sewage sludge per hour: Berlin-Waßmannsdorf STP receives four HUBER Disc Dryers RotaDry®](#)
- [Success story continues: HUBER SE receives major order to deliver three disc dryers for Germany's largest sewage sludge incineration plant](#)
- [Erlangen decides in favour of HUBER technology for sewage sludge drying - Convincing belt drying solution for sewage sludge](#)
- [Municipal Sludge Dewatering Trials save significant operating costs](#)
- [HUBER Sludgecleaner STRAINPRESS® to ensure energy yield from digester gas plants](#)
- [A HUBER Technology Wastewater Case Study at Uttoxeter STW for Severn Trent Water](#)
- [Up to 80 percent savings: HUBER Screw Press Q-PRESS® minimises electricity costs for sludge dewatering](#)
- [Climate-friendly energy supply: HUBER SE supplies belt drying plant for RWE for thermal utilisation of sewage sludge in NRW, Germany](#)
- [From screen building to sewage sludge drying: complete modernisation of the La Crosse wastewater treatment plant with HUBER](#)
- [The clever alternative: HUBER Screw Press Q-PRESS® in operation at a disposal company](#)
- [HUBER modernises sludge drying on Mannheim wastewater treatment plant](#)

- HUBER SE commissions one of the largest sewage sludge belt drying plants worldwide
- Sludge dewatering with the HUBER Screw Press Q-PRESS®
- HUBER SE receives order for world's largest solar sludge drying plant
- New TOTEX solution for Sludge Dewatering at Plymouth
- Digestate Screening for Plastics Removal
- Dynamic inline mixer for optimized sludge dewatering
- Solar HUBER dryer stops rising costs for sludge disposal
- Septic Sludge Management in Kota Bekasi (Indonesia)
- A HUBER Technology Wastewater Case Study at Cannock STW for Severn Trent Water
- From thin sludge to dry granulate – all from one source
- Digestate Plastics Removal on an AD site in Wiltshire
- New size of the inline sludge screening system sets new standards for throughput capacity
- Belt Dryer BT 8 in Nova Gorica, Slovenia
- Improvement to the digestion process for one of the largest inland sewage treatment works in the UK
- Q-PRESS® – The new HUBER Screw Press
- New safety system for the HUBER Sludge Turner SOLSTICE®
- Flexible Disc Thickener on WWTP Waging
- State of The Art Septage Station Handles Large Volumes Effectively
- Removal of plastics from digested food waste using STRAINPRESS® Sludgecleaners
- HUBER awarded contract to supply BT Sludge Dryer to largest WWTP on the Isle Of Man
- New HUBER Screw Press Q-PRESS® 620.2 for sludge dewatering: operational experience
- The new HUBER Disc Dryer RotaDry®
- HUBER Solar Sludge Dryer SRT – unique in variability of sludge feeding and removal
- Isle of Man: Successful start-up of a HUBER Belt Dryer BT 16
- Sewage sludge drying on STP Ingolstadt – a success story
- Largest solar sewage sludge drying site in Southern Germany fully equipped by HUBER
- HUBER Solar Active Dryers offer sustainable technology for maximum drying performance
- Innovative Approach on the HUBER STRAINPRESS®
- A Sludge Thickening Case Study: Anglian Water, Great Dunmow WRC
- STRAINPRESS® for sludge screening at Amsterdam: 3 years of successful operation
- Magilligan WwTW - A Wastewater Case Study
- HUBER's Sludge Screens Help SAWS Receiving Stations Handle Deliveries
- Research and development in the field of solar sludge drying
- Energy-efficient sewage sludge drying at Innsbruck with HUBER Belt Dryer BT
- Operationally reliable biogas production with the HUBER Sludgecleaner STRAINPRESS®
- HUBER's STRAINPRESS® Transforms Screening Process So Napa Sanitation District Can Maximize FOG System
- San Diego Experienced Benefits Beyond Contaminant Reduction
- Innovative control system for HUBER Belt Dryer BT
- Solar dryers are in demand worldwide even for big and medium-sized wastewater treatment plants
- Solar sewage sludge drying – a reasonable solution if based on intelligent and sustainable design
- HUBER installs its first combined solar and regenerative sewage sludge drying project
- HUBER Septic Sludge Treatment in Kuching/Sarawak
- Huber Screenings and Sludge Treatment Equipment in Northern Ireland
- Efficient Sludge Treatment at Small Plants
- ROTAMAT® Disc Thickeners RoS 2S for Small Treatment Plants
- Well Received Septic Sludge in Finland
- Use of Heat from Biogas Cogeneration for Sludge Drying
- HUBER's Screw Press Helps Cardston WWTP Make Positive Impact on Community

HUBER Technology, Inc. 1009 Airlie Parkway
Denver, NC 28037
